

# Philippine Overseas Construction Board

**CONSTRUCTION INDUSTRY  
AUTHORITY OF THE PHILIPPINES**  
Department of Trade and Industry

# Mandate

Created by virtue of Presidential Decree Number 1167, the **Philippine Overseas Construction Board (POCB)** is an implementing board of the Construction Industry Authority of the Philippines, a government agency attached to the Department of Trade and Industry. **The POCB has the sole mandate of implementing the state policy of promoting the interests of the Philippine construction industry in overseas markets by actively encouraging and supporting activities that lead to increased and sustained exports of management, engineering, other technical, and highly-skilled manpower supply services for overseas construction projects, and Philippine-made construction materials and equipment.** To safeguard the interests of both client and supplier, we **regulate and control the participation of Filipino construction contractors and consultants in overseas construction projects** and administer the grant of available incentives.

**No construction contractor shall tender or bid for any overseas project unless registered and authorized by POCB.**
